

Global Day of Prayer for Burma

March 13, 2005

Karen girls in Muthraw District, Karen State, November 2004

March 2005

Dear Friends,

Thank you for your prayers and support for the people of Burma. Though they are suffering under an oppressive dictatorship, they have not given up hope. Through 55 years of civil war the people continue to find ways to work and pray for positive change. Love is alive in Burma and its light will not be put out. Please join the people of Burma in prayer for their country, as we believe true freedom will not come only through political change but through the healing power of God's love.

Please use this booklet, poster, and bulletin insert as a guide for prayer and tools for action. Please see www.prayforburma.org for updates on the situation of displaced people inside Burma and for more resources.

God bless you,
Christians Concerned for Burma (CCB)

Politics and Human Rights

Aung San Suu Kyi

Aung San Suu Kyi is the leader of the National League for Democracy, the party which won over 80% of the vote in the 1990 elections in Burma. The military dictatorship responded by ignoring the results of the elections and jailing many members of the opposition. Aung San Suu Kyi has spent the majority of time under house arrest. While in custody, she was awarded the Nobel Peace Prize.

Relief Teams

Relief Teams

Every year men and women who desire to help their people train together and go into the war zones to bring help, hope and love to displaced people. Multi-ethnic teams give medical care, emergency relief and serve as another voice for the oppressed. This year Karen, Karenni, Shan, Kachin, Arakan, Lahu, Pa'O and Rawang men and women were trained and sent on relief missions to their areas.

- John 10:10-11

Dear Friends,

Thank you for sending gifts for the children of Burma. The Good Life Club Kid-Packs, Mom&Baby Packs, smile-hats and T-shirts have been given to hundreds of children since 2001. These displaced children have been blessed by your generosity and thoughtfulness. If you would like to receive a short DVD about the Good Life Club, please contact us.

Using the supplies from the packs, we are able to give the newly trained relief teams resources to teach villagers about good hygiene and nutrition. We've even included a basic health-care presentation in the team's supplies, such as puppets and a script for education and entertainment. The packs are distributed constantly as the relief teams continue to travel throughout the war-torn areas of Burma.

The situation of the Internally Displaced People of Burma is still dire and in need of our love, prayers, and relief supplies. Your gifts for the children prove to them that they are not forgotten and that people around the world do care and want to be involved in their lives. The kind messages, prayers, and bible verses bring hope that God will be with them daily and meet their needs. The children of Burma may one day see an end to the war that has held this country captive for 50 years. Thank you again for keeping alive the belief that they are valuable and can live each day in hope of an abundant life.

“Hello, How are you? I'm fine. Thank you for your present. I'm so happy when I get your present. I have not parents like you and I'm suffering. Goodbye.” - Yeng Kham Lon, Student at Loi Toi Long School
